

kangxi turquoise ground bowl / vase stand

SOLD

REF: 132423

Height: 10 cm (3 1/16") Width: 15 cm (5 1/16")

Short Description

Chinese 18th century turquoise monochrome bowl or vase stand. Open sided with shaped panels and carved decoration.

These stands are rare as the bowl or vase or urn that they were made for was broken or lost so the stands were often thrown away or broken as well.

The glaze is excellent with a very good colour that pools in the incised decoration and under the rim.

More Information

Year	1662 - 1722
Medium	Porcelain
Country	China
Condition	the piece is perfect. just after firing there was a little carving of the inside of the rim to allow the bowl or vase to sit more securely which is normal for these stands. There is a very small glaze chip to the underside of the rim
