

Kangxi chinese 18th century blue and white vase

**SOLD**

REF: 150035

---

### Short Description

---

Chinese blue and white 18th century moulded vase made during the reign of the Emperor Kangxi. Very

unusual shape being moulded in the form of a section of bamboo. Painted in panels within section to show flowering peonies.

The white metal mounts are very probably silver in the Dutch style made to look like a flower head.

Excellent moulding, potting and colour.
